

GLOBAL BUT LOCAL PARTNERSHIP

WE ARE SIKA
Sika is a specialty chemicals company with a leading position in the development and production of systems and products for bonding, sealing, damping, reinforcing and protecting in the building sector and the motor vehicle industry. Sika's product lines feature concrete admixtures, mortars, sealants and adhesives, structural strengthening systems, industrial flooring as well as roofing and waterproofing systems.

PULASTIC SPORTS FLOORING IS A BRAND OF SIKA
Design, comfort, durable, seamless and strong. Countless designs, classic colors, and decorative options. Features of a Pulastic® sports floor; the basis for your sports facilities!

The Pulastic® team has 55 years of experience in developing, producing and installing Pulastic® sports floors. Knowledge, skills and years of practical experience enable us to deliver optimal quality for every client at home and abroad. An indoor or outdoor Pulastic® sports floor anywhere in the world stands for top quality, longevity, maximum performance, a minimum of injuries, and versatile applications!

Our most current General Sales Conditions shall apply. Please consult the most current local Product Data Sheet prior to any use.
